

CARDIOLOGY WARD

dr hab. n. med. Grzegorz Piotrowski

Phone: 42 689 54 92

The department specializes in the diagnosis and treatment of patients with cardiovascular diseases, in particular:

- coronary artery disease (non-invasive and invasive diagnostics – coronary angiography and treatment with coronary angioplasty);
- disorders of heart rhythm, automatism and atrioventricular conduction, with particular emphasis on atrial fibrillation;
- heart failure;
- pulmonary embolism; valvular defects and congenital heart defects;
- heart disease and associated cancer (cardio-oncology).

In the above indications, the Research Team of dr. hab. n. med. Grzegorz Piotrowski has been conducting clinical trials for over 19 years.
